Assistant Athletic Therapist

St. Francis Xavier University is a top-ranking Canadian university focused on academic excellence, innovation in teaching and research, service to society and international outreach. We are currently looking for an Assistant Athletic Therapist in the University Sports Medicine Clinic. This is sixteen (16) week contract position beginning August 12th, 2019.

Under the supervision of the Head Athletic Therapist, the successful incumbent will have several key responsibilities; clinical and on field assessment and treatment of varsity athletes, providing first aid and medical coverage of practices and games of the varsity teams. This position involves working evenings, weekends and holidays. Duties also include maintaining accurate and current clinical records and assisting with the supervision of the Student Therapists.

The successful candidate must be a Certified Athletic Therapist and have maintained status with the Canadian Athletic Therapists Association.

Consideration of applications for this position will begin on May 25th 2019 and will continue until the position is filled. A letter of application, including detailed CV, and the names of three references should be directed in confidence to:

**Human Resources
StFX University
Antigonish, NS
Email: careers@stfx.ca**

*Only those selected for an interview will be contacted. Preference will be given to Canadian citizens and permanent residents. **If you are selected for an interview for the advertised position, proof of Canadian citizenship or permanent residency is required.** StFX respects diversity and welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities and members of sexual minority groups.*
