THE UNIVERSITY OF GUELPH

ABOUT THE UNIVERSITY OF GUELPH

Located in Guelph, Ont., the University of Guelph was established in 1964 and is considered one of Canada's top universities. Its three founding members – Macdonald Institute, the Ontario Agricultural College and the Ontario Veterinary College – are older than the University itself. Established in Toronto in 1862, the Ontario Veterinary College is the oldest veterinary school in Canada.

The University now consists of seven colleges: the College of Arts, the College of Biological Science, the College of Business and Economics, the College of Physical and Engineering Science, the College of Social and Applied Human Sciences, the Ontario Agricultural College and the Ontario Veterinary College. The University also has a regional campus in Ridgetown, Ont., and several research stations.

The University of Guelph-Humber in Toronto offers joint diploma and degree programs that provide students with real-world experience through work placements.

The University's main campus features a blend of historical and modern architecture. Brick pathways connect century-old buildings with steel and glass structures. A bronze statue of the gryphon, the University's mascot, guards the main entrance to campus at the corner of Gordon Street and Stone Road. The iconic cannon, located in Branion Plaza, is best known for its constantly changing appearance – it's a campus tradition to paint the cannon on an almost daily basis.

With more than 20,000 undergraduate and 2,100 graduate students, the University is consistently ranked highly for providing a comprehensive education that combines traditional academia with experiential learning and co-operative education outside the classroom. Research opportunities allow students to learn and work with faculty who are experts in their field.

The University welcomes international students from around the world, while providing study abroad programs for those interested in broadening their global perspective. Guelph's alumni population continues to grow and now totals more than 101,000 alumni in 145 countries.

OUA ALL-STARS

#28 TODD WINDER
OUA West First Team All-Star

#43 RYAN VALENTINI
OUA West Second Team All-Star

#92 GIORDANO FINORO
OUA West All-Rookie Team

All having phenomenal 2019-20 seasons, Todd Winder, Ryan Valentini and Gio Finoro were named in the OUA's year-end awards.

In a season that saw him post 16 goals and 23 assists for 39 points, Todd Winder could hardly be stopped en route to being named to an OUA West First Team All-Star. Among the conference leaders, the native of Uxbridge, Ontario finished tied for 3rd in points with his teammate Ryan Valentini, 4th in goals, and tied for 5th in assists. In his third year with the Gryphons, Winder adds the All-Star selection to his two previous honours already received from the OUA. Following the 2017-18 campaign, Winder's first year, he was named the OUA West Rookie of the Year, while also being named to the OUA West All-Rookie Team. Playing in all 28 regular season games, the 5'10 forward also registered three game winning goals for the Gryphs this season.

Another offensive weapon the Gryphons have boasted all year long has been Ryan Valentini, and the 2nd-year psychology major is receiving his much deserved credit being named an OUA 2nd Team All-Star. Filling up the scoresheet, Valentini built on a 13 point rookie season from last year and tallied a tremendous 39 points this year. Using both his quick shot, as well as his great vision to set up his teammates, Valentini finished in the same spot as Winder for league points, tied for 3rd. With his 24 assists this year, the Mississauga product finished third in the OUA, while tied for the team-high.

Speaking of young, there were hardly any freshmen in the OUA West division in 2019-20 better than Guelph's own Giordano Finoro. Making a tremendous first impression throughout his rookie season, Finoro not only helped guide the Gryphons back to the Queen's Cup for a second straight season, but was also named to the OUA West All-Rookie Team. Scoring 13 goals, Finoro finished tied for 4th in the OUA among freshmen. Tacking on 11 assists over the year as well, the Guelph product put forth a 24 point campaign. To go along with his strong rookie season stats, Finoro also saw an increase in ice time as the season progressed before stepping in to a top-line role in the playoffs and being the go to guy for key face-offs.

MIKKEL AAGAARD SIGNS IN GERMANY

OUA Leading Scorer Mikkel Aagaard Signs with Wolfsburg Grizzlys in DEL

From the moment he arrived with the Guelph Gryphons midway though the 2018-19 season, the Gryphs knew they had something special with Mikkel Aagaard. A former team captian of the Danish U20 team, as well as a member of the Denmark national team, Aagaard provided plenty of offence and leadership for Guelph.

However, in what became the biggest story line of the Gryphon's season, the Guelph captain accepted an offer to join the Wolfsburg Grizzlys of the DEL in Germany shortly after the Gryphons had dropped their opening game of the 2019-20 OUA playoffs. Having led the OUA in points, goals and assists during the regular season, while also leading U SPORTS in goals and finsihing second in U SPORTS total points, Aagaard quickly became a big gap that the Gryphons needed to fill. Trailing the Laurier Golden Hawks in their opening round best of three playoff series 1-0, and now without their captain, the Gryphons came together as a team in an inspiring fashion to win seven of their next eight games en route to hoisting their 7th Queen's Cup in program history.

Although Aagaard served as the team's captain, top-line centre and one of their top offensive weapons, the Gryphons have had multiple different players step up since the departure, and they will continue to use everyone on their roster in their attempt to make a run at the U Sports Men's Hockey Championship.

PLAYOFF RECAP

Gryphons Battle Through All Kinds of Adversity to Capture 109th Queen's Cup Championship

Just a couple of days prior to the 2019-20 OUA playoffs getting underway, Gryphon's head coach Shawn Camp spoke about how being successful in the playoffs is all about dealing with adveristy properly. Little did he know at the time just how much adversity was going to come Guelph's way.

Finishing 3rd in the OUA West Divison, the Gryphons opening round playoff series was going to come against the No. 6 seed. After the dust had settled on the final day of regular season play, that No. 6 seed would not only wind up being a tough test, but also one of the Top-10 teams in the country in the form of the No. 9-nationally ranked Laurier Golden Hawks. After dropping Game 1 of the series at home 3-1, all of a sudden the Gryphons found their backs against the wall and were on the brink of elimination. Then, only a day later did Guelph find out they were going to be without their captain the rest of the way with Mikkel Aagaard signing in Germany with the Wolfsburg Grizzlys. Fear not though, the Gryphons came right back with a 6-3 road win, before downing Laurier 4-2 in a winner take all Game 3 to take the OUA West quarter-final series. Stepping up, veterans Marc Stevens and Todd Winder combined for six goals and four assists in games 2 and 3.

In round two, the Gryphons would take on a very fimilar foe. Having already played them six times throughout the year, the Brock Badgers would be Guelph's next opponent. Following a hard fought 3-2 victory in Game 1, the Gryphons went on the road to St. Catharines for Game 2, where Luke Kutkevicius, who had taken over the top-line centre role for Aagaard, played overtime hero in a 2-1 win sending Guelph to the West Finals.

Losing defenceman Matthew Timms to injury in the Brock series, more adversity came the Gryphon's way against the Western Mustangs in their third round match-up. After splitting the first two games, Guelph would go in to Game 3 without Timms, along with Ryan Valentini (15g + 24a) and Kutkevicius due to injury, while also making a change in the crease, giving Andrew Masters his first start since January 30. Like they had all playoffs long though, the Gryphons fought through. Coming back from a 2-1 third period deficit, Guelph found a way to secure a 4-3 win, punching their ticket to the 109th Queen's Cup, along with a spot at nationals.

Hosting the 109th playing of the Queen's Cup, Guelph welcomed the Ottawa Gee-Gees to town. In front of a max capacity crowd of 1600, the two sides gave the fans a championship game for the ages. With Valentini and Timms able to return to the line-up, Guelph was the closest they had been to a full line up in weeks. After two scoreless periods, the Gryphons finally were able to open the scoring 1:39 in to the third period, taking a 1-0 lead on a Marc Stevens power-play goal. However, it was only 21 seconds later when the Gee-Gees quikly tied the game. The championship would go on to take another 59:14 of game time before Ted Nichol would score the Queen's Cup clinching goal in triple overtime, sending the Gryphon faithful in to euphoria and making every bit of battling through adversity completely worth it.

BRAD PIRIE | 1976-77, 1978-79
The Gryphons first 2-time hockey All-Canadian, Brad put together two amazing seasons while wearing the red, black and gold. Although a rather small player to play defence, head coach, Bud Folusewych, used him on the blue line to take full advantage of his play making abilities. He was instrumental in the Gryphons charge to the OUAA Championship in 1978-1979 and in 1976-1977, he was chosen Gryphon Rookie of the Year and winner of the Jack Pos MVP Award. Brad also gained some pro experience with Dallas of the Central League and in 1980 realized a dream ... scoring a goal against the Russians while representing his country in the Winter Olympics at Lake Placid.

ROB ARABSKI 1991-92
Rob a talented second year centre from Brantford, Ontario, was arguably one of the premier players in the nation. His creative abilities on the ice dazzled the fans and awestruck his opponents. He led the Gryphons in scoring with 21 goals, 24 assists and 45 points in 22 games. This great season saw Rob become the OUAA West Division Most Valuable Player, OUAA West Division First Team All-Star and a CIAU All-Canadian. Rob was also a former Memorial Cup Champion with the Guelph Platers Junior “A” Club.

STEVE PERKOVIC 1992-93

A First Team OUAA All-Star for the third straight season, Steve was the Gryphons team captain. He was co-winner of the university’s Athlete of the Year Award in 1993.

TODD WETZEL 1994-95

He was named an OUA First Team All-Star, OUA Most Valuable Player, and won the Senator Joseph A. Sullivan Trophy as the CIAU’s Outstanding Player.
