Please note U SPORTS overtime regulations (4.8):
1. **Quarter-final, semi-finals and Gold medal games (All overtime periods are 5 on 5):**

In the event of a tie at the end of regulation time, a 3-minute bench rest shall be permitted and then a 10-minute sudden victory overtime period (5 on 5) will be played. If the outcome is still undecided, teams shall leave the ice for the standard championship intermission time, determined by the Host Committee prior to the championship (in consultation with CUHCA), to allow resurfacing of the ice. Play will then continue with 20-minute sudden victory overtime periods until a goal is scored. At the end of each 20-minute period, teams shall leave the ice for the standard championship intermission time to allow resurfacing the ice.

Note: Team change ends only after resurfacing of the ice.

2. **Bronze Medal game:**

In the event of a tie at the end of regulation time, a 3-minute bench rest shall be permitted and then a 10-minute sudden victory overtime period (5 on 5) will be played. If the outcome is still undecided, teams will proceed immediately to a shoot-out.

3. **Shootout Procedure**

Where a shootout is required the IIHF shootout protocol shall be used with the exception that the 5 shooters for each team will be selected by the respective coaches at the conclusion of overtime and communicated to the referee within 3-minutes. Please note: If still tied after 5 shooters, move to a sudden victory format (same 5 shooters in same order) until a winner is declared.
4. PRACTICE SCHEDULE

This a DRAFT schedule. * All practice times and locations will be finalized once tournament seeding is complete.

Ice times have been reserved for practice at the Aitken University Centre on Wednesday, and at City of Fredericton rinks on Thursday and Friday. Practices are 50 minutes long.
