12. TECHNICAL INFORMATION

12.1 FACILITIES

The competition will be held at Beacon Hill Park. Located at the foot of Douglas Street, Beacon Hill Park is the grand showpiece of Victoria, a city with a long and proud tradition of gardening. Set aside in 1858 by James Douglas, governor of Vancouver Island, the 75-hectare (200 acre) plot of land was officially established as a park in 1882. Beacon Hill Park was named after a pair of masts strategically placed on a hill to act as a beacon and navigational aid to mariners approaching Victoria's inner harbour.

The race course will consist of a 2.0 km loop circling the park. Course Map is posted on the championship website.

12.2 EQUIPMENT:

Race Day Timing will provide all on-site timing and results.

12.3. THERAPY / MEDICAL SERVICES:

Medical coverage (physician and certified Athletic Therapist) will be provided at the championship venue on competition day. Vikes Head Therapist Traci Vander Byl (email: VikesAT@uvic.ca) will be coordinating the medical coverage. Further details will be provided to all teams with their registration packages at the Technical meeting.

If you require further information or athletic therapy services pre-event, please contact Traci Vander Byl.

All doping tests will be conducted by CCES at the official championship hotel.
