1. GENERAL

- 1.1 As the Canadian franchise-holder for the 2017 Summer Universiade, U Sports is responsible for all aspects of Canada's participation in the Games. As such, U Sports will have final authority for making decisions that relate to the effective functioning and safety of the Canadian Team. The Team Member understands that his/her nomination to the Team and his/her continued participation as a Team Member, once nominated, are conditional upon entering into this Agreement and observing and complying with all of its terms and conditions.
- 1.2 This Agreement describes the support a Team Member can expect to receive from U Sports as a member of the Team and the co-operation and conduct that is expected of the Team Member from the time of execution of this Agreement, through the Games and until the Team Member returns to Canada (or is otherwise released from the Team).
- 1.3 Central to this Agreement is the principle that the relationship between the Team Member, the NSO and U Sports is characterized by a collaborative partnership, representing a collective effort, the goal of which is the Team Member's full participation in the Games, representing Canada and the Team, as a proud ambassador and carrying out their function within the Team to the best of his/her ability.

2. OTHER AGREEMENTS

- 2.1 For the period of time that this Agreement is in effect, it will take precedence over any agreement that the Team Member may have previously signed with his/her NSO.

- 3.3 The Team Member acknowledges that U Sports considers the selection criteria determined by the NSO for Athlete, Coach, and Athlete Support personnel nomination to the Team as final, subject only to U Sports' responsibility to ensure adherence to FISU eligibility rules and conditions for representing a country, and Team size quotas in effect for the Games. The Team Member acknowledges that any dispute associated with the NSO selection criteria, or nominations for selection by the NSO will be resolved between the Team Member and their respective NSO pursuant to the dispute resolution policies of the NSO.
- 3.4 All Team Members acknowledge that their participation in the Games is subject to compliance with this Agreement. Team Members who are Athletes acknowledge that their participation in the Games is also subject to compliance with FISU eligibility rules and conditions for representing a country, and with the rules and regulations of the NSO and the IF as applicable to the field of play.

6. TEAM MEMBER OBLIGATIONS

The Team Member acknowledges the following obligations and agrees to be bound by them:

6.1 Conduct

- 6.1.1. The Team Member will observe and comply with all reasonable directions given or requests made by the Chef de Mission and/or Manager, Sport & International Programs, who are responsible for the management of the Team generally, and the implementation of this Agreement more specifically.

6.1.2. The Team Member will abide at all times with the U Sports Policy on Team Member Conduct attached to this Agreement as Schedule 1. Failure to do so may result in the imposition of disciplinary sanctions against the Team Member by the Chef de Mission, Manager, Sport & International Programs or their designate.

6.1.3. The Team Member will receive an orientation briefing within 24 hours of arriving at the Games, which will familiarize the Team Member with the services provided by the U Sports, Mission Staff and the Canadian Health Care Team, as well as U Sports' expectations of conduct.

6.2 Medical

6.2.1 The Team Member hereby gives consent to U Sports and specifically to the Chief Medical Officer to the Team, to make decisions concerning the Team Member's medical care and treatment, and where necessary to authorize such treatment, in emergency situations and where prior consent cannot be reasonably obtained.

6.2.2 The Team Member will comply with all reasonable directions given by the Chief Medical Officer of the Team. By agreeing to these terms, the Team Member authorizes and consents to receive appropriate emergency medical treatment where prior consent to such treatment cannot reasonably be obtained.

6.2.3 Where the Team Member is a minor, his/her parent or guardian will authorize the Chief Medical Officer of the Team to make medical care and treatment decisions for the Team Member by signing the "Authorization of Medical Treatment for Minors" form.

6.2.4 At the earliest possible date the Team Member will notify both U Sports and their NSO of any illness, injury or other legitimate circumstances that might reasonably prevent the Team Member from fulfilling any obligations under this Agreement. Upon such notification, U Sports' Chief Medical Officer reserves the right to seek a second opinion from a certified medical practitioner of its choice with regard to any injury or illness that may affect the Team Member's participation in the Games. The Team Member will collaborate with this medical evaluation.

6.3 Doping

6.3.1 Comply with the Anti-doping Policy of the U Sports (see Schedule 2), of FISU and of WADA, as well as programs such as the Athlete Whereabouts Program, and submit to announced and unannounced doping control, both during and outside of Games competition.

6.3.2 Refrain from doping as defined by the U Sports Anti-doping Policy, Canadian Anti-Doping Program and WADA Code including using substances or engaging in practices prohibited by the rules and policies of FISU, the IF and the NSO.

6.3.3 In order to avoid inadvertent non-compliance with the above-referenced doping prohibitions, the Team Member will advise the Chief Medical Officer of the Team, or such other Team medical practitioner designated to receive such information, the names of all medications, whether prescription or non-prescription, including all over-the-counter drugs, herbal remedies, vitamin or nutrient supplements, creams or lotions, topical solutions, or nasal sprays that they have taken in the last seven days prior to their arrival at the Games, or that they plan to take or may take during the Games. The Team Member agrees to show any such medication to the Chief Medical Officer or designated Team medical practitioner, including its container and the package in which the medication and its container came, prior to ingesting or utilizing the medication.

6.3.4 Refrain from using, securing, supplying, selling, importing, administering, having in his/her possession or otherwise dealing with any controlled, restricted, illicit substance or narcotic as defined in

the *Controlled Drugs and Substances Act* of Canada, except by legal prescription properly issued by a medical practitioner authorized to practice medicine in Canada.

6.3.5 The Team Member (if an Athlete) agrees to participate in the CCES e-learning program and to complete the on-line education module (approximately 30 minutes duration) for certification prior to arrival at the Games.

6.4 Media Relations

6.4.1 Acknowledge that the spokesperson on all matters concerning the Team is the Chef de Mission or designate.

6.4.2 Refrain from making public comments or statements, whether directly to media representatives, through any third party or by means of any social media platform, that could reasonably be expected to have a detrimental effect on individual or Team morale or image. The Team Member agrees to bring any concerns or issues to the attention of the Chef de Mission through their Team Leader so they may be addressed by U Sports appropriately. U Sports' Social Media Policy is Schedule 6 of this Agreement.

6.4.3 Cooperate with the Communications Team and Mission Staff to accommodate all reasonable media requests including, but not limited to, participation in interviews before and after competitions unless restricted by injury, doping procedures or other matters outside the Team Member's control.

6.4.4 Participate in media training or briefing sessions prior to the Games, if requested.

6.4.5 Supply U Sports with electronic registration and biographical information as requested, and immediately notify U Sports in writing or electronically of any changes.

6.6.1 Abide by the Advertising Rules of FISU relating to advertising, personal identification, personal clothing, and personal equipment set out in Schedule 3.

6.6.2 Comply with the U Sports Clothing Policy (see Schedule 4).

6.7 Marketing and Sponsorship

The Team Member agrees with the following provisions regarding marketing and sponsorship and agrees that the provisions in this Section will survive any expiry or termination of this Agreement:

6.7.1 Assist and co-operate with the reasonable requests of U Sports and U Sports' sponsors, suppliers and supporters, to maximize the promotional benefits of their sponsorship and the promotion of the Games. This may include reasonable requests to participate in sponsorship appearances and/or promotional events.

6.7.2 Give his/her irrevocable consent to U Sports to reproduce, use, publish and distribute his/her likeness, image or identifiable attributes, without charge, on a world-wide basis, in any format or media, in any or all of U Sports' promotional material until December 31, 2021. Specifically, the Team Member is aware that material bearing his/her likeness, image or identifiable attributes may be used to promote Canada's participation in current and future FISU Games, and in U Sports' promotional activities seeking to generate sponsorship, licensing, advertising and marketing programs for the next quadrennial cycle ending December 31, 2021. This consent does not extend to the use of materials bearing the Team Member's likeness, image or identifiable attributes by U Sports sponsors. If U Sports sponsors wish to use such material, a separate written consent from the Team Member is required.

6.7.3 Release and hold harmless U Sports from any and all claims that the Team Member may have against them, now or in the future, arising from the use by the U Sports of promotional material bearing the likeness, image or identifiable attributes of the Team Member.

6.7.4 Avoid any and all activities which bring the U Sports, the Team or the sponsors/suppliers of the U Sports into public disrepute or censure, including public communications through the use of social media (see Schedule 6, Social Media Policy).

6.7.5 Unless the prior written consent of U Sports is obtained, the Team Member will refrain from participating in or being involved with any third party promotions or advertising campaigns which compete directly or indirectly, with any campaigns of U Sports designed to promote U Sports, FISU or the Games.

6.7.6 Agrees not to exploit his/her inclusion as a member of the Team to the detriment of the U Sports. More specifically, the Team Member will not endorse or promote, as an identifiable member of the Team, the products, goods, or services of a sponsor, supplier or supporter of the Team Member (referred to as the Team Member's 'Personal Sponsors') if such Personal Sponsors and/or their respective products, goods and services are in conflict, directly or indirectly, with U Sports sponsors, suppliers or supporters in place from time to time. Nothing in this section will prevent the Team Member in his/her personal capacity and not as an identifiable member of the Team, from endorsing or promoting the various products, goods and services of the Team Member's Personal Sponsors.

6.8 Administration

6.8.1 Fully complete all forms and documents and execute all tasks as requested by U Sports relating to Team participation by the required deadlines. The Team Member understands and acknowledges that participation as a Team Member and participation in the Games is contingent upon the completion and execution of all such documents in a timely manner.

6.8.2 Participate in any Games or Team evaluation activities as reasonably requested by U Sports, including debriefing sessions, post-Games interviews or post-Games surveys.

6.8.3 Ensure that all competitive equipment is in optimal working condition and the necessary tools and surplus parts to undertake repairs are available. Any equipment provided by U Sports to Team Members for use during the Games is to be returned to the U Sports prior to the Team Member leaving the Games.

6.8.4 Ensure prompt payment of any required disbursements in relation to the Team Member's participation in the Games including, but not limited to, travel expenses, accommodation expenses, passport or visa fees, a U Sports participation fee, and extraneous medical costs that are not covered by U Sports.

7. INTELLECTUAL PROPERTY RIGHTS

7.1 The Team Member agrees that the U Sports may take any action that it deems appropriate to protect, in any manner whatsoever, U Sports intellectual property rights. U Sports intellectual property rights in this context refer to copyright, industrial design, official mark, and trademark rights of U Sports as well as documents, resources and materials produced by the U Sports.

8. FOREIGN LAWS

8.1 When in Taiwan, the Team Member is subject to the laws of Taiwan, not Canadian laws. Accordingly, the Team Member agrees to comply with the laws of Taiwan and understands that should he/she breach such laws he/she may be subject to the full force of sanctions, including criminal sanctions that may be imposed under Taiwan's law.

- 8.2 The legal age for alcohol consumption in Taiwan is 18 and this is the age that will apply to Team Members for the duration of this Agreement. Underage drinking is strictly prohibited by the U Sports Policy on Team Member Conduct and those above the legal drinking age are expected to consume alcohol responsibly.

9. RELEASE AND INDEMNIFICATION

- 9.1 The Team Member acknowledges that there are risks, dangers and hazards associated with participation in the Games, including training for the Games, travel to and from the Games, competition at the Games, and other activities associated with the Games. The Team Member knowingly and voluntarily assumes these risks, both known and unknown, and agrees that the U Sports will not be liable to the Team Member for any loss, damage or injury arising from the Team Member's involvement with the Games, howsoever caused.
- 9.2 The Team Member further agrees that U Sports is not responsible for medical expenses that may be incurred by the Team Member as a result of illness or injury sustained at the Games or that may prevail after the Games, and that U Sports is not responsible for any continuing medical or related expenses in Canada or for any loss of income arising out of any illness or injury the Team Member may suffer as a result of his/her participation in the Games.
- 9.3 The Team Member agrees to indemnify and hold harmless U Sports and its directors, officers, employees, contractors, volunteers and agents from and against any and all claims, demands, actions or costs which U Sports may suffer or incur as a result, directly or indirectly, of the Team Member's participation in the Games, the Team Member's conduct, acts or omissions while at the Games, any disciplinary action taken against the Team Member, or any activity undertaken by the Team Member pursuant to this Agreement. This indemnification will survive the termination or any expiry of this Agreement.

10. RESOLUTION OF DISPUTES

- 10.1 The U Sports Chef de Mission has ultimate authority for the implementation of this Agreement, for the enforcement of the U Sports Policy on Team Member Conduct, and for the imposition of any disciplinary sanctions against a Team Member where they are warranted. In the event that any Team Member is involved in a dispute relating to this Agreement or to the Policy on Team Member Conduct, he or she is entitled to receive support, guidance and representation from the Team Ombudsperson.
- 10.2 U Sports and the Team Member agree that alleged breaches of this Agreement by either party, disputes relating to the implementation or interpretation of this Agreement, disputes relating to the Team Member's conduct in violation of the Agreement and any disputes over sanctions or discipline measures affecting the Team Member or the Team Member's right to participate in the Games or to compete in the Games, will be dealt with pursuant to the U Sports Policy on Team Member Conduct (Schedule 1).
- 10.3 Where applicable, and for the entire duration of the Games, the U Sports Policy on Team Member Conduct will take precedence over any other dispute resolution policy of a NSO that may affect the Team Member. This will not prevent any NSO from implementing its own disciplinary policies or procedures, in relation to the Team Member, after the Games have concluded.
- 10.4 Notwithstanding the foregoing, the Team Member acknowledges that any matters associated with doping, doping control or doping results management will be dealt with under the anti-doping rules in effect at the Games and the rules of the Court of Arbitration for Sport (CAS) Ad-Hoc Division.

11. WAIVER

- 11.1 It is understood that the waiver by one Party of any breach of this Agreement by the other Party will not be a waiver of any subsequent breach. Similarly, the failure by one Party to seek a remedy for any breach of this Agreement will not be a waiver of any rights or remedies with respect to that breach or any subsequent breach.

12. GENERAL

- 12.1 This Agreement will be interpreted and governed by the laws of the Province of Ontario.
- 12.2 If any provision of this Agreement is void, invalid, illegal or otherwise unenforceable by reason of law or public policy, all other provisions of this Agreement will remain in full force and effect.
- 12.3 This Agreement and the Schedules attached to it contain the entire understanding between the parties. There are no representations, warranties, promises, covenants or undertakings other than those set forth in this Agreement.
- 12.4 No waiver or modification of any of the terms of this Agreement will be valid unless done with the written consent of both Parties.
- 12.5 Each of the Parties will execute any document and do anything reasonably required from time to time to perform its obligations under this Agreement.
- 12.6 This Agreement has been created in the English language and has been translated into the French language. Where inconsistency in language or meaning may exist or interpretation is required, the English version will take precedence.

13. NOTICES

- 13.1 Any notice required pursuant to this Agreement will be delivered by hand to the Party for which it is intended; sent by facsimile, e-mail, or similar form of transmitted message; or sent by prepaid courier directed to such party at the address indicated on page 1 of this Agreement, or at such other address as either Party may stipulate by notice to the other.
- 13.2 Any notice delivered by hand or prepaid courier will be deemed to be received on the date of actual delivery thereof. Any notice sent by facsimile, e-mail or similar form of transmitted message will be deemed to have been received on the next business day following confirmation of transmission.

14. INDEPENDENT LEGAL ADVICE

- 16.2 U Sports may terminate this Agreement prior to its scheduled expiry if the Team Member becomes ineligible to represent Canada or is deemed unable to fulfill this Agreement.
- 16.3 In the event that the Team Member leaves the Team without the express permission of the Chef de Mission and is away for a period of time deemed excessive by U Sports, the Team Member will be considered to be away without leave, and will be deemed to have terminated this Agreement.

This Agreement will be binding upon and will ensure to the benefit the Parties and their respective heirs, executors, personal representatives, successors and administrators.

SCHEDULE 1 - POLICY ON TEAM MEMBER CONDUCT

1. Preamble

- a) Participation as a Team Member in the activities of Canadian Interuniversity Sport, d/b/a U Sports ("U Sports"), and acting as a representative of Team Canada at a Major Games brings with it many benefits and privileges that are balanced by Team Member responsibilities and obligations.
- b) This Policy defines the parameters for these responsibilities and obligations, and thus identifies a standard for behaviour that is expected of all U Sports Team Members. This policy also identifies the disciplinary procedures to be followed when this standard is not achieved.

2. Application of this Policy

- a) This Policy applies to all Team Members, defined in this Policy to include all athletes, coaches, athlete support personnel and members of Mission Staff who have executed a written Team Member Agreement with U Sports.
- b) This Policy applies to the conduct of Team Members at all U Sports activities, programs and events occurring during the period of time that the Team Member Agreement is in effect.
- c) Termination or expiry of the Team Member Agreement will not relieve U Sports or the Team Member from the jurisdiction of this Policy, provided the alleged misconduct occurred while the Team Member Agreement was in effect.

3. Expected Standard of Conduct

- a) U Sports is committed to providing an environment in which all individuals are treated with respect. All Team Members of U Sports are thus expected to:
 - Demonstrate through words and actions the spirit of sportsmanship, sports leadership and ethical conduct;
 - Treat all persons (fellow Team Members; other athletes, coaches and support personnel participating at the Games; representatives of sponsors and official suppliers; representatives of the media; representatives of the Host Organizing Committee; Games organizers; and doping control personnel) with respect and without discrimination;
 - Care for and respect the property and assets of U Sports and the Host Organizing Committee, including Games accreditation;
 - Avoid the non-medical use of drugs and the use of performance-enhancing drugs or methods;
 - If legally permitted to do so, consume alcohol responsibly in association with U Sports events (underage consumption of alcohol is strictly prohibited, where 'underage' is defined by the laws of the Host country);
 - Refrain from any behaviour that constitutes harassment, where harassment is defined as comment or conduct directed towards an individual or group, which is offensive, abusive, racist, sexist, degrading or malicious;
 - Refrain from any behaviour that constitutes sexual harassment, where sexual harassment is defined as unwelcome sexual advances or conduct of a sexual nature that: is offensive and unwelcome; creates an intimidating and hostile environment; or can reasonably be expected to be harmful to participants in the sport environment;
 - Refrain from any behaviour that constitutes sexual misconduct, where sexual misconduct is defined as the use of power and authority in an attempt, successful or not, to coerce another person to engage in or tolerate sexual activity, or engaging in sexual relations that are contrary to the Criminal Code;
 - Comply at all times with the bylaws, policies, rules and regulations of U Sports, the Team Member's National Sport Organization, the Host Organizing Committee and the Games Rights Holder;
 - Comply with any sanctions imposed by U Sports or imposed by other authorities where such sanctions are recognized by U Sports; and
 - Comply at all times with the governing laws of the Host country.

b) Failure by a Team Member to achieve the expected standard set out above may result in an infraction and the imposition of discipline by U Sports.

4. Reporting an Infraction

a) Any individual may report to a Representative of U Sports an infraction by a Team Member. Such complaint must be in writing, signed by the complainant, and must be made in a timely manner. For the purposes of this Subsection, a 'Representative' is any person in a responsible volunteer or staff position within U Sports.

b) Upon receiving a report of an infraction, the Representative will provide it immediately to the Chef de Mission of U Sports. Where the Chef de Mission is not available or not able to act, the Chief Executive Officer of U Sports will appoint a designate to act for the Chef de Mission.

c) Upon receiving a report of an infraction, the Chef de Mission (or designate) will review the complaint and may:
Dismiss the complaint if he or she considers it to be trivial or vexatious;
Determine that the complaint does not fall within the jurisdiction of this Policy, or is better dealt with under a different policy of U Sports or a policy of another entity having jurisdiction over the complaint;
Resolve the complaint informally, seek the assistance of the individual designed to be Team Ombudsperson at the event to resolve the complaint informally, or refer the complaint to another appropriate person to resolve informally;
Where the infraction is considered minor, deal with the complaint by imposing minor disciplinary sanctions directly in his or her capacity as Chef de Mission (or designate); or
Refer the matter to a hearing before a Discipline Committee.

d) For the purposes of this Section, a minor infraction is a single instance of failing to comply with the expected standards of conduct that does not result in harm to other persons, or does not tarnish the reputation or image of Team Canada or the U Sports.

e) The Chef de Mission may determine that an alleged infraction is of such seriousness as to warrant immediate removal of the Team Member, pending investigation, a hearing and a disciplinary decision.

5. Disciplinary Procedures

a) The Universiade Discipline Committee is a U Sports ad-hoc committee composed of three persons, who are appointed by U Sports to deal with a reported infraction. e) After hearing the matter, the Universiade Discipline Committee will reach a decision as to whether an infraction has occurred and if it has, what the sanction should be. The Discipline Committee will issue a written decision, including reasons, for distribution to the parties.

f) Where the conduct being reviewed is of a sensitive nature, the Universiade Discipline Committee and U Sports will keep all proceedings under the policy confidential, except where publication is ordered as part of the sanction, is required by law or by other applicable policies or rules, or is in the best interests of the public.

- g) In fulfilling its duties, the Universiade Discipline Committee may seek and obtain independent advice.

SCHEDULE 2 - ANTI-DOPING POLICY

1. Commitment to Drug-Free Sport

Federal, provincial and territorial governments in Canada have adopted the *Canadian Policy Against Doping in Sport* (CPADS) in February 2011. CPADS reflects Canadian governments' commitment to the anti-doping rules contained in the *World Anti-Doping Code* (the Code). The Code is implemented in Canada through the *Canadian Anti-Doping Program* (CADP). U Sports is committed to drug-free sport consistent with CPADS, CADP and the Code.

2. Application

This Policy applies to athletes, coaches, athlete support personnel and members of Mission Staff with whom U Sports has executed a Team Member Agreement. The purpose of this Policy is to provide clear procedures for notification, communication and public disclosure in the event of an anti-doping rule violation.

This Policy applies for the period of time during which the Team Member Agreement is in effect. Prior to and after this time, athletes and athlete support personnel are subject to the anti-doping policies of their respective National Sport Organization (NSO).

It is acknowledged that for the duration of the Games, all persons subject to this Policy are also subject to the anti-doping rules of the Rights Holder and the Host Organizing Committee for the Games. Athletes, coaches, athlete support personnel and members of Mission Staff will fulfill all requirements of the anti-doping rules in effect for the Games.

In the event of any conflict between this Policy and the anti-doping rules of the Rights Holder and Host Organizing Committee, the latter rules will prevail.

- U Sports President and Chef de Mission;
- U Sports Chief Executive Officer, or designate;
- U Sports Chief Medical Officer, or equivalent; and

4. Rights and Obligations

As soon as possible following notification of a possible anti-doping rule violation, the Chef de Mission will meet with the person alleged to have committed the anti-doping rule violation and the individual designated to be Team Ombudsperson at the event, to advise the individual of his or her rights and obligations as a member of the Canadian Team and as a participant in the Games. The individual will be advised of the

services that are provided by the individuals designated to be Team Ombudsperson at the event, and will also be advised that they will have the right to be represented by legal counsel at their own expense.

Following notification of a possible anti-doping rule violation, the Chef de Mission (or a designate) and the individual designated to be Team Ombudsperson at the event will participate with the individual in any hearing before a tribunal that may be convened by a relevant authority during the Games period.

Should a possible anti-doping rule violation during the Games give rise to a hearing before a tribunal following the Games, U Sports will identify a representative to participate in the hearing on behalf of U Sports.

5. Public Disclosure

U Sports considers anti-doping rule violations to be a matter of public interest. Following confirmation of an anti-doping rule violation in accordance with the anti-doping rules of the Rights Holder and the Host Organizing Committee, U Sports will issue a public statement.

U Sports may make a public statement prior to the confirmation of the violation if the individual is an athlete who is rendered ineligible for participation in an event due to a provisional suspension, and such a statement is warranted in order to explain the ineligibility or absence from the event.
