- (9) A player who is protected from an illegal crackback block (see Article 2);
- (10) The offensive player who attempts a snap during a Field Goal attempt or a Try Kick.

(b) Prohibited contact against a player who is in a defenseless posture is:

- (1) Forcibly hitting the defenseless player's head or neck area with the helmet, facemask, forearm, or shoulder, even if the initial contact of the defender's helmet or facemask is lower than the passer's neck, and regardless of whether the defensive player also uses his arms to tackle the defenseless player by encircling or grasping him;
or
- (2) Lowering the head and making forcible contact with the top/crown or forehead/ hairline parts of the helmet against any part of the defenseless player's body;
or
- (3) Illegally launching into a defenseless opponent. It is an illegal launch if a player (i) leaves both feet prior to contact to spring forward and upward into his opponent, and (ii) uses any part of his helmet (including the top/crown and forehead/ hairline parts) to initiate forcible contact against any part of his opponent's body.

Note: This does not apply to contact against a runner, unless the runner is still considered to be a defenseless player, as defined in Article 7 above.

Note1: The provisions of (2) do not prohibit incidental contact by the mask or helmet in the course of a conventional tackle or block on an opponent.

Note 2: A player who initiates contact against a defenseless opponent is responsible for avoiding an illegal act. This includes illegal contact that may occur during the process of attempting to dislodge the ball from an opponent. A standard of strict liability applies for any contact against a defenseless opponent, even if the opponent is an airborne player who is returning to the ground or whose body position is otherwise in motion, and irrespective of any acts by the defenseless opponent, such as ducking his head or curling up his body in anticipation of contact.

Penalty: For unnecessary roughness: Loss of 15 yards and an automatic first down. The player may be disqualified if the action is judged by the official(s) to be flagrant.
