STORY TIME.

Make a commitment to creating safe spaces.

- Diversity + Inclusion= Equity: Create and provide on going training and education.
- Expand your thought of diversity beyond gender and conference representation
- Review of your policies: Eligibility, financial aid model, disciplinary processes. (Equity Connections can help)
- Hold your coaches accountable from their recruiting practices. Do you know how and who they are recruiting?
- Create supports for athletes when they come forward. Clubs, positions (MAC), programs, and places.
- Staff hiring and succession planning.
- Recreate your narrative- Tell more personal stories and less of achievement/Your athletic hallways – Change the pics: Tell your story and make less statement.
