- 10.10.1.2 Following receipt and review of the application, a site visitation of prospective Members will occur between January and May. Prospective Members are responsible for the associated costs for a site visit by a U SPORTS board and staff member.
- 10.10.1.3 Following the site visit, a recommendation to approve, defer, or reject the application shall be prepared for the membership by the U SPORTS Board.
- 10.10.1.4 The membership application will be considered at the **Annual Meeting** in June, and must receive two-thirds majority of the votes cast.
- 10.10.1.5 Once accepted as a Member, a fifty thousand dollar (\$50,000) entrance fee is to be paid to U SPORTS.
- 10.10.1.6 Membership is on a probationary basis for a period of time equivalent to the probationary period in the Regional Association to which the probationary member belongs or for a two year period, whichever is longer. This period will be used to confirm that the institution demonstrates the commitment to athletics that is required for new Members, and that the institution conforms to the values and ethics of U SPORTS.
- 10.10.1.7 If a U SPORTS member is on probation or put on probation in the Regional Association they belong to, U SPORTS will respect that membership status and follow suit, so that the U SPORTS membership status is in lock-step with the RA member status.
- 10.10.1.8 Probationary members cannot vote on U SPORTS matters.
- 10.10.1.9 Probationary members cannot hold office or bid to host a U SPORTS Championship.
- 10.10.1.10 The U SPORTS Board will review the probationary membership following the one-year anniversary mark and provide feedback to the new member.

10.10.1.11 At the two year anniversary the U SPORTS Board may submit a motion to the U SPORTS membership recommending that the probationary status be lifted, extended, or that membership be terminated. This motion must be passed by two-thirds of the votes cast at the **Annual Meeting**.

10.10.2 CONDITIONS OF MEMBERSHIP

The institution applying to become a U SPORTS Member must meet the following conditions and provide the following information:

10.10.2.1 Applicants must be a Member of a U SPORTS Regional Association, and the application for U SPORTS Membership must be endorsed in writing by the Regional Association.

10.10.2.2 A letter from the institution's President indicating that the institution supports the application and understands the requirements and commitment to athletics and academics associated with Membership in U SPORTS.

10.10.2.3 Written documentation of the following processes and forms:

10.10.2.3.1 Tracking the academic performances of student-athletes.

10.10.2.3.2 Monitoring eligibility of student-athletes.

10.10.2.3.3 Monitoring and administering financial assistance to student-athletes.

10.10.2.3.4 Proposed budget for Athletic Financial Awards including sources and terms and conditions.

10.10.2.3.5 Code of conduct that would apply to coaches and student-athletes. (This could be in the form of an institution's overall policy, a union collective agreement, an Athletics Department Code, or other related coverage).

10.10.2.3.6 Event management policy and procedures.

10.10.2.3.7 Marketing plan.

10.10.2.3.8 A complete budget detailing all sources of revenues and proposed expenditures for the program.

10.10.2.4 New members must declare at least two male and two female U SPORTS sports one of which must be a team sport. In the third year and beyond, new U SPORTS Members must declare at least two male and two female U SPORTS sports including one male and one female team sport.

By 2014-15, current U SPORTS members (members as of 2010-11) must declare at least two male and two female U SPORTS sports including one male and one female team sport.

The following minimum participant numbers apply for sport declaration in cross country, swimming, track and field and wrestling:

Cross Country:	Men – 5	Women- 5	Swimming:	Men – 9	Women – 9
Track & Field:	Men – 12	Women – 12	Wrestling:	Men – 5	Women – 4

These minimums are required before an institution can use that particular sport as part of their membership declaration. This does not prevent institutions from sending fewer athletes to a Regional Association or U SPORTS championship, but, in that case, the member will not have met the declaration requirement for that sport.

U SPORTS members who do not comply by 2014-15 would be declared “affiliate members” and not be eligible to vote, hold office or host a U SPORTS Championship.

- 10.10.2.5 Demonstrated competitiveness with U SPORTS opponents (provide records against such opponents), and/or a plan to become competitive within a six (6) year window.

- 10.10.2.13 U SPORTS members are not permitted to play in the NAIA in sports that are offered by U SPORTS, unless they also compete in that sport within U SPORTS. (Note: this refers to membership and not to exhibition or non-conference play between U SPORTS and NAIA teams).
