U SPORTS LETTER OF INTENT REQUEST FOR RELIEF TO THE U SPORTS ELIGIBLITY COMMITTEE (PURSUANT TO LOI PROVISION 20)

This form must be signed and completed by the prospective student before the Eligibility Committee will consider any request. Additionally, a request for release must be made by the student, using the LOI Release Request Form and in accordance with its provisions, prior to filing a request for relief directly with U SPORTS. Once this form, along with the LOI Release Request Form, is submitted to the U SPORTS office, U SPORTS will provide a copy to the signing institution that will then have an opportunity to respond in writing. After receipt of the institutional response, the request will then be considered. If necessary, the Committee will solicit additional information or response from either of the parties. All parties will be notified in writing of the Eligibility Committee's decision, which will be final and binding.

Form must be complete for consideration. Please print or type.
