The Director of Athletics must mark one of the options below, sign and simultaneously submit a copy of this form to both the student and the CIS Office. This request form must be replied to within 10 clear days from the date the form is received from the student.

_____ **Complete Release**

A Complete Release permits the above-named student to attend any CIS member institution without being subject to the LOI Penalty. It releases both the institution and the student from any further LOI obligations. Additionally, the LOI Recruiting Restrictions are no longer in effect, allowing the student to be recruited by other CIS member institutions.

_____ **No Release**

Selecting the No Release option keeps the Letter of Intent in tact, thereby subjecting the student to the LOI Penalty.
