The purpose of the seeding call is to first determine the seeding of teams participating in the championship. 1. Head to Head - this means one team's record against all other teams in the championship, respecting the priority of 1) Playoffs, 2) League, and 3) Exhibition results. Note: Time of season will be considered with matches latest in the season carrying more weight than matches earlier in the season.
2. If there is no head-to-head competition between teams under consideration, the 2nd criteria will be results against common opponents, respecting the priority of 1) Playoffs, 2) League, and 3) Exhibition results. Note: Time of season will be considered with matches latest in the season carrying more weight than matches earlier in the season.
3. If there are no head-to-head and no common opponents, then seeding for those teams involved will be voted on by the committee. In the event of a tie in voting the President of the Coaches Executive or designate will break the tie.

The following seeding principle must be respected in the final determination of the championship draw:

1. Results of regional playoffs must be respected (order of finish).
2. Conference champions must be seeded in the top 6 spots (1 through 6).
3. Once the seeding has been completed, teams 5 through 8 can only be flipped one spot (up or down) to try to avoid first round match-ups of teams from the same sport conference. (Teams seeded 1 through 4 can NOT be flipped.)
