4.2 SELECTION, SEEDING, DRAWS, POOLS, TRIALS AND HEATS

4.2.1 SELECTION/SEEDING COMMITTEE

1. Chairperson: President of the National Association of Basketball coaches of Canada (NABCC) or designate who will only vote in case of a tie.
2. Members: One voting representative from each Sport Conference*. The Top 10 Coordinator, or designate, shall be a non-voting participant of the seeding call (or be on standby to reply to questions that may arise), for the purpose of clarifying Top 10 issues that may arise during the call. The Sport Conference representatives will be selected by the NABCC and accountable to the NABCC. The representatives must be active U SPORTS coaches and members of the NABCC. The NABCC President will provide to the U SPORTS Office, no later than three days prior to the conference call, the names and contact information of the Sport Conference representatives (an alternate must be named in case the coach/representative has won a berth to the National Championship). A non-voting U SPORTS representative will also be on the call.
3. The committee has the authority to make subjective decisions within the respective criteria (i.e. the relative merits of a 10-0 record and a 12-2 record within a certain category). The teams under consideration will be slotted into the grid with the low team being dropped and the remaining teams undergoing the same process until one team remains.

Note:

- * If a Sport Conference does not have an elected coach representative, the President of NABCC will appoint a representative.
- * The U SPORTS Office will be responsible for organizing the conference call in conjunction with the NABCC President.
- * The NABCC will hire a 3rd party to collate the at-large berth information for all schools. This summary of information will not be made public.

4.2.2 SELECTION GUIDELINES FOR THE TOP 10

1. All games versus U SPORTS opponents will count. Games versus NCAA senior teams and community colleges will not count.
2. Teams that lose a game should not move up except if teams ranked above them have all lost and the head to head performance of the losing team is better than other teams in consideration.
3. Best 2 out of 3 playoff series will count as one game when voting for Top 10.
4. There is no extrapolating of votes.
5. Location of game (home, away, neutral) can be used as criteria in weighting the significance of a win or loss.
6. In Sport Conference playoffs, if a lower team defeats a higher team, the following guidelines would apply:
 1. If teams are ranked 1 or 2 positions apart, they could flip flop positions.

September 2018

Playing Regulations: Men's Basketball

PR/1-3

2. If the teams are ranked 3 or more positions apart and have been considered throughout the season, the lower team should move up and the higher team should drop but not necessarily below the team that defeated them.

TOP 10 RULES

1. Voting will include 10 teams only in the weekly top ten rankings.
2. The top ten will be an open vote, with no restrictions.
3. The results of the voting will be made available to all U SPORTS Coaches.
4. Coaches who do not vote will be reported to the U SPORTS Office.

4.2.3 SELECTION CRITERIA FOR THE AT-LARGE BERTH

A Selection Committee will use the following 10 criteria to determine the at-large berth. The committee will consider the performance of each team in each criterion and rank them accordingly. The committee has a degree of discretion in its rankings within each criterion. For example the committee may consider a regular season record of 19-1 to be equal to a 21-1 record even though 21-1 is mathematically superior.

1. Final regular season conference record.
2. Strength of schedule (using RPI).
3. Games vs. other teams under berth consideration and teams that have already qualified for the national championship.
4. Games results against non-conference opponents (overall record vs. U SPORTS teams in non-conference play. All teams - including games against conference opponents in non-conference games.) Include record and date/location Home / Away / neutral court and game score should be considered within this category.
**** Non-conference refers to U SPORTS teams only.
5. Top 10 rankings: Take the average ranking of the teams placing in the Top 10s for the season. For teams not being ranked in a given week, a number will be assigned. Top 10 rankings from November 15 to end of regular season for that team.(Conference play only.)
6. Games vs. teams (U SPORTS teams only) with a winning percentage of greater than .800 (this category includes games with a winning percentage greater than .650 and .500 as well.) (Conference play only.)
7. Games vs. teams (U SPORTS teams only) with a winning percentage of greater than .650 (this category includes games with a winning percentage greater than .500 as well.) (Conference play only.)
8. Games vs. teams (U SPORTS teams only) with a winning percentage of greater than .500 (Conference play only.)
9. Games vs. teams (U SPORTS teams only) with a winning percentage of less than .500 (Conference play only.)
10. Play-off Performance.

Note: There are inherent challenges in simply comparing at face value how deep a team advanced into the play-offs in one conference to another conference without looking at the nuances and making some distinctions and judgments. Out of consideration to

September 2018

Playing Regulations: Men's Basketball

PR/1-4

the number of teams in each conference, the at-large berth applicants' play-off performance will be reviewed and sorted into clusters.

The top cluster will consist of:

1. The RSEQ and AUS applicants that advanced to the play-off final and lost in the final.
(The 2nd placed team in the play-offs out of 5 teams in the RSEQ)
(The 2nd placed team in the play-offs out of 8 teams in the AUS)
2. The OUA and Canada West applicants that advanced to the semi-finals.
(The 3rd or 4th ranked team from the Final 4 out of 15 teams in Canada West)
(The 3rd or 4th ranked team in the OUA play-offs out of 16 teams in OUA)

The second cluster will consist of:

1. The RSEQ and AUS applicant who won the bronze medal or who lost in the semi-finals if no bronze medal exists.
(3rd or 4th team out of 5 in RSEQ)
2. The Canada West applicant who lost in the divisional final.
3. The OUA applicant who just missed out of the semi-finals (5th out of 16)

4.2.4 SEEDING CRITERIA

1. The Seeding Committee will determine a final Top 10 ranking during the seeding call, which will provide the basis for establishing the seeding for the tournament.
2. Results of regional playoffs must be respected.
3. Conference champions must be seeded in the top 6 spots (1 through 6).
4. Once the seeding has been completed, teams 5 through 8 can only be flipped one spot (up or down) to try to avoid first round match-ups of teams from the same sport conference. (Note: A conference champion seeded 6 cannot be flipped to 7th.) (This means teams seeded 1 through 4 cannot be flipped). This can only happen once (i.e. if there are 4 teams from one sport conference a flip can take place once but not twice.)
5. The schedule will be set such that the Friday evening draw will include one of the host area teams.
6. In rendering their decision, the Seeding Committee may also consider:
 - * Head to head; this means one team's record against all other teams in the championship. The date and location of the games must be considered.
 - * Strength of schedule.
 - * Playoff performance.

4.2.5 SEEDING PROCEDURES

1. A conference call will be scheduled on the Saturday or Sunday prior to the U SPORTS Championship.
2. Prior to selecting the seeding for the national championship, discussion should take place in regard to the last Top 10 voted on by coaches. Should the feeling of the

Seeding Committee be that a team was improperly ranked, then the committee may use their discretion to apply other selection criteria as detailed in 4.2.2.

4. Immediately following the conference call, the U SPORTS office will release the final seeding and schedule.
5. A minimum of two weeks prior to conference playoffs, detailed instructions will be provided to Regional Association Offices re the uploading of game film for conference playoffs.
6. Any member institution or Regional Association that releases this information prior to the embargo established by the U SPORTS office will be fined \$500.00.
7. There shall be no appeal of decisions regarding at-large berth selections or seeding.

4.2.6 DRAW

Final schedule is at the discretion of the Host Committee working in consultation with the U SPORTS Office.

September 2018

Playing Regulations: Men's Basketball

PR/1-6

Note 1: To ensure the integrity of the draw, the structure of the brackets must be maintained (i.e. 1 vs. 8 and 4 vs. 5 must always stay together and 2 vs. 7 and 3 vs. 6 must stay together) so that common rest times are protected.

Note 2: Without affecting the integrity of the draw, games in the upper half of the draw can be switched to accommodate travel and time zone adjustment (i.e. Canada West teams traveling East). If the teams playing are not impacted by the time zone change then there can be no switching of game times.
